

Harvest Market Volunteer Registration Form

Hello and thank you for considering volunteering at the Viva Italia Harvest Market!

The Market opens at noon on September 30th and runs until 7pm at Giovanni Caboto Park 9425 109a Avenue. There will be set-up work in advance and tear down time afterward and we'll need some 'security' to monitor the site for cleanliness and help start some bocce ball games.

Please select your preferred shift time below and provide your contact information. The outdoor movie won't start until dark so our late-shift volunteers won't miss the show!
